

Enlist Today! Palmetto Pathfinders

Build the Heritage promotion fund with your three-year commitment.

Please select your level of commitment:

- Pathfinder 180** (\$5 monthly donation) This is the basic level. "180" refers not only to the monetary contribution, but also to the fact that the climate in South Carolina for Confederate Heritage needs to be turned 180 degrees.
- Commanders Club** (\$10 monthly donation) This level would entitle the contributor to a premium gift (a copy of *The South Was Right* or *Why Not Freedom?*), presented upon completion of their commitment.
- Drawdy Memorial Fund** (\$25 monthly donation) This level would also entitle the contributor to the same gift as that of Commander's Club members, plus free registration to the division convention during each year of their commitment. A portion of these funds (\$10/mo.) would be used to establish a scholarship or grant in the name of Vance Drawdy.

All participants will receive a commemorative lapel pin upon completion of their commitment.

These funds will be used exclusively for Heritage Defense.

- Assist camps and brigades with projects to promote Confederate Heritage in South Carolina.
- Increase public awareness of the SCV.
- Defend against attacks on Confederate monuments as well as places named for Confederate heroes.
- **KEEP THE BATTLE FLAG ON THE STATEHOUSE GROUNDS!**

Remember,
it is your
duty to see
that the true
history of the
South is
presented to
future
generations.

Lt. Gen. Stephen D. Lee
